The way the program is designed, it helps students practice English spelling skills. It tests students' awareness of the relationship between letter sounds and letter spellings. The program is suitable for learning of any age and any ability level. Spelling for Grade 2 - List 8 English Reading and Spelling Game Tutorial Spelling for Grade 2 - List 8 Unscramble the Word Game Screenshots Spelling for Grade 2 - List 8 Unscramble the Word Game References External links Category:Educational softwareQ: C# XML Pulling out a particular node and attribute I have the following XML file that I am trying to read using the following code: XmlDocument doc = new XmlDocument(); doc.Load(@"D:\TTB\TTB\TestFile.xml"); XmlNode node = doc.DocumentElement; XmlNodeList nodeList = doc.GetElementsByTagName("TTB"); foreach (XmlNode node1 in nodeList) { // loop through the NodeList and insert any relevant info node = node1; XmlAttributeCollection x = node1.Attributes;

What's New in the Spelling For Grade 2 - List 8?

Take on a spelling lesson on your computer in Spelling for Grade 2 - List 8, a Grade 2 English spelling educational software. Spelling for Grade 2 - List 8 provides a fun and interactive way to help you improve your spelling skills, providing hints when you get stuck. It is designed to cater for young learners and allows you to take on a spelling lesson on your computer. This program can test your English skills, and improve your ability to distinguish between homophones (words that sound the same but are spelled differently) and differentiate between long and short words. Learning to spell is a difficult and complex process that spans a large part of an individual's learning at school and at home. Spelling is a basic and vital skill that everyone, at school, at home and at work, should be able to master. This program will challenge you to learn how to spell, making it fun and interactive, and is suitable for young learners at primary and secondary school. Spelling for Grade 2 - List 8 Features: • 30 different types of games that help improve your English spelling • An English vocabulary test for self assessment • Spelling lists of words that can be set as homework assignments • High and Low scores for each type of game • Tracks your progress • Contains pictures that can be clicked to open related games If you're looking for Spelling software for children, then try Spelling for Grade 2 - List 8. I think the editor is much more friendly than the previous one I used. Thanks to the team at DuckySoft, for creating such a great piece of software. A Google User Good spelling program for kids My son had been using this program for a couple of weeks now, and we both enjoy it. My 10 year old really enjoys playing the word game and I enjoy using it to prepare for his spelling tests. The results from the tests are posted on the website, which is nice. A Google User Good program, especially if you have child I have been using this program for some time and love it. Its extremely easy to use and is almost like a touch screen (which I love with my kids, its much easier than a keyboard). The kids love playing the games and have actually put me to shame. Thanks for a great program! A Google User Very good I have found this program a great way to keep my son's spelling skills current. The videos are a bonus and the scoring is encouraging. I've found the game types easy to use, but he hasn't mastered all of them. A Google User It's really a good program I like this program a lot because the kids like it as well as their parents. It's really a good program. A Google User Very Good
